To whom it may concern,

I write in order to commend to you, the Catholic School of Evangelization, centered in St. Malo, Manitoba. The goals of the Catholic School of Evangelization are to form young people in their Catholic Faith and to further the work of the New Evangelization in Canada. This is done through the offering of retreats and workshops, forming and sustaining an evangelization team and offering a series of summer training programs for youth camp counsellors who will facilitate a series of summer youth camps sponsored by the Catholic School of Evangelization.

In a recent visit to St. Malo, I was impressed by the dedication and faith knowledge of this school of evangelization and its loyalty to the Church's Magisterium. It also has the advantage of being able to completely function in both French and English in its programs.

I commend to you for your consideration, the ministry of the Catholic School of Evangelization.

God Bless you.

Yours in Christ,

✠Richard Gagnon
Archbishop of Winnipeg
